OBSESSIONAL PROFESSIONAL

You thrive from putting in your best and expect others to follow suit. With the All Day Wireless Power, the white Live PRO + TWS are perfect for getting through a whole work day & even the commute with 7 hours play time plus 21 hours in the case before needing to charge! Concentration is key to hit your goals, in or outside of work. These headphones allow you to switch easily from tunes to perfect calls with a feedback mic for wind suppression. Less distractions = more results

WORKOUT WARRIOR

Never short on energy, the Black Live PRO + TWS matches your active nature. Highlighting JBL's Legendary Pro Sound, these allow you to take your workouts to the next level and provides the motivation to keep going! Adaptive Noise Cancelling means zero distractions, and if you want to hear the world around you without removing your headphones Smart Ambient sharpens the sound of your surroundings. Opting for early mornings over late nights and big sounds over chilled tunes!

BUSY BEE - ON THE GO AND ALWAYS CONNECTED.

Chic, stylish and on the go, this person thrives on being connected and keeping up with friends and family is important. The Live PRO + TWS 3 mics means no matter where you are or the weather you can clearly hear and be heard. Your headphones should adjust to you, not the other way around and these headphones' sound and features can be easily personalised with the My JBL Headphones App.

REST & RELAX - COOL, CALM AND COLLECTED.

Comfort is key no matter the situation and thanks to the Seal Check available through the app even your headphones will provide ultimate comfort. Self-care is your ultimate Friday Night In, recharging your batteries is needed after a big week! You love some down time to regroup and unwind. Block out the world with the Adaptive Noise Cancelling feature of the Live PRO+ TWS, with zero distractions, or hear the world around you without removing your headphones by using the Smart Ambient feature.
